CARTEC TRAINING

AUR20520

Certificate II in Automotive Servicing Technology

NATIONALLY RECOGNISED TRAINING

Location

Trainers available throughout Western Australia to train and assess your course.

Mode

Available face to face and workplace-based training and assessment.

Duration

Course duration is 12-24 months; Trainer contact scheduled every 4-6 weeks.

When

Contact our team on 1300 767 454 to commence your training enrolment.

Is this course for me?

This qualification reflects the role of individuals who perform a range of servicing tasks in the automotive retail, service and repair industry.

Through theory and practical course work you will learn to:

- Carry out servicing operations
- Inspect and service braking systems
- Inspect, test and service batteries
- Inspect and service engines

This course will suit those looking to learn trade skills in automotive services, those wanting to pursue a career in the retail automotive industry and those wanting to pursue an apprenticeship in the automotive service industry.

Career Opportunities

This qualification can be undertaken as a pre-apprenticeship program and allows for inclusion of skills suited for entry as an apprentice automotive mechanic.

Trade outcomes are achieved through an Australian Apprenticeship.

Entry Requirements

There are no prerequisite entry requirements; however you must:

- Show a satisfactory level of language and literacy skills, which will be established at the time of enrolment
- Show a genuine interest in the automotive industry
